

CITY CHARTER
of
THE CITY OF GRANTS, NEW MEXICO

Amended
January 2020

PREAMBLE

We, the citizens of the City of Grants, pursuant to the Constitution and laws of the State of New Mexico¹, in order to secure the advantages of local self government, do hereby enact this Charter for the City of Grants, New Mexico.

Not more than three (3) days following the election and subsequent approval by the voters of the Amended/Revised Charter, the City Clerk shall canvass the ballots. At the next regular meeting of the City Council, the Council shall certify the election returns and thereby adopt the Amended/Revised Charter, which shall become effective thirty (30) days after the election.

Article I GENERAL PROVISIONS AND POWERS; CONSTRUCTION

Section 1.01. Municipal Corporation; Purpose.

- A. Pursuant to Section 3-15-8 NMSA 1978, the municipal corporation now existing and known as the City of Grants shall remain and continue to be a municipal corporation with the same name and boundaries as existed prior to the effective date of this Charter. The boundaries of the City may be extended as provided by law.
- B. The purpose of this Charter is to provide for maximum self government and the greatest possible exercise of home rule powers. In no case shall the City have any less powers than a non-charter municipality in the State of New Mexico.

Section 1.02. Powers of the City.

- A. Acceptance of Devolution of Powers². By enacting this Charter, pursuant to the provisions of Article X, Section 6 of the New Mexico Constitution, and pursuant to the Municipal Charter Act, the City of Grants does accept the full and complete devolution of home rule powers granted in the Constitution and laws of the State of New Mexico to all municipalities which adopt a charter. Accordingly, the City shall have all powers possible for a home rule municipality to possess under the Constitution and laws of the State of New Mexico, including but not limited to all implied powers and all powers necessary to implement all express powers of the City, as if each and every one of the City's implied powers were fully, completely, and expressly enumerated in this Charter.
- B. Charter as Limitation on Powers. As the New Mexico Constitution and Municipal Charter Act devolve full home rule powers directly on municipalities which enact a charter, this Charter shall be construed as a limitation on powers and not as a grant of powers. The fact that this Charter shall enumerate for convenience or reference some of the powers of the City shall not change the nature of the Charter from a limitation on powers to a grant of powers, or give rise to any inference that the City lacks any power which is not specifically enumerated. If a power of the City is not affirmatively state herein, no presumption or inference shall be created that the City lacks such a power.

- C. Liberal Construction. The powers of the City³ under this Charter shall be construed liberally in favor of the City, and shall be interpreted to favor maximum local self government.
- D. Powers of General Law Municipal Corporations. The City shall be entitled to exercise any and all powers granted by law or the Constitution to municipal corporations, except to the extent that there may be a conflict with this Charter; in which case the Charter shall operate to limit the City's ability to exercise such a power.

Section 1.03. Intergovernmental Relations.

In addition to those powers granted pursuant to the New Mexico Joint Powers Agreements Act,⁴ the City may exercise any of its powers or perform any of its functions and may participate in the financing thereof, jointly or in cooperation, by contract or otherwise, with any one or more states, or any state civil division or agency, or the United States or any of its agencies.

Section 1.04. State and Municipal Laws.

- A. All City ordinances, resolutions, orders and regulations which are in force when this Charter becomes fully effective are repealed only to the extent that they are inconsistent with or interfere with the effective operation of the Charter.
- B. To the extent that the Constitution and laws of the State of New Mexico permit, all laws relating to or affecting the City or its agencies, officers or employees, which are in force when this Charter becomes fully effective, are superseded to the extent that they are inconsistent or interfere with the effective operation of the Charter.
- C. In addition to the provisions of Subsections A and B of this section, and pursuant to Section 3-15-13 NMSA 1978, any provision of the Municipal Code Chapter 3, NMSA 1978 or any other state law relating to municipalities shall apply to the City only to the extent that such a state statute is not inconsistent with the provisions of this Charter. To the extent that any state statute relating to municipalities is consistent with this Charter, the City may avail itself of the rights, privileges and powers conferred by such a statute, regardless of whether such a statute vests powers in home rule municipalities, non-home rule municipalities, or both.

Section 1.05. Rights and Property.

- A. All rights and property which were vested in the City prior to the effective date of this Charter shall remain so vested under the Charter. No existing right or liability and no pending litigation shall be affected by adoption of this Charter. No action or proceeding, civil or criminal, pending at the time that this Charter takes effect, shall be affected or abated by operation of this Charter.
- B. All contracts and franchises entered into by the City or for its benefit, prior to the effective date of this Charter, shall remain in full force and effect. Public improvements for which legislative action has been taken under laws, ordinances or resolutions existing at the time this Charter takes effect, may be carried to completion in a manner which is

in as full compliance with this Charter as is possible in accordance with the provisions of existing laws, ordinances and resolutions.

Section 1.06. Construction.

- A. Headings. Section and subsection headings are included for convenience only. Such headings shall not be utilized for the purpose of determining the meaning of the Charter.
- B. Terms. Unless the context otherwise requires: the singular shall include the plural; the plural shall include the singular; male shall include female; female shall include male; "may," "can," and "should" shall be permissive; "must," "shall," and "will" shall be mandatory; "or" shall be disjunctive; and "and" shall be conjunctive.
- C. Severability. The provisions of this Charter are severable. If any provision of this Charter is held invalid, the other provisions of the Charter shall not be affected thereby. If the application of the Charter or any of its provisions to any person or circumstance is held invalid, the application of the Charter and its provisions to other persons or circumstances shall not be affected thereby.

Section 1.07. Charter Amendment.

This charter shall be amended according to the process and requirements established in the Municipal Charter Act of the New Mexico Municipal Code, Chapter 3, Article 15 NMSA 1978.⁵
