

## Coronavirus Updates July 9, 2020

The **City of Grants** is working closely with local, federal, state and county agencies to monitor the coronavirus situation and will continue to provide updates to the public on our website and social media. You may also call our main number at City Hall should you need additional information regarding city services. The number for City Hall is **505-287-7927**.

Due to the risk for the elderly, as of March 16, we will be closing the **Senior Center**. Meal services and transportation will continue and staff will remain on site and available by phone. The number at the Senior Center is **505-285-3922**.

**Home delivered meals** will continue as usual. Meals that are typically served at the Center will be available, but participants should call 24 hours in advance to request a tray. Citizens will receive their meal via drive-up-service in the parking lot, to be taken home.

**Water Department** office will be closed to foot traffic. Citizens can make payments by phone, online, drive up, or using the night drop. There is no fee for these options. Water Department Phone number 287-7927 Ext. 2015, or 2016.

Please check the **Grants Recreation Facebook** site or call **285-3542** to check on any program postponements or changes.
