

Washington & Jefferson Avenue Drainage Improvement Project

Floodplain and Wetlands Early Public Review

Date: **August 22, 2020**

The **City of Grants**, New Mexico is considering **Phase II – Washington/Jefferson Avenues Drainage Improvement Project** (consistent with Exhibit '1-A' of Grant Agreement) as a CDBG project under the NM Small Cities Program for non-entitlement cities and counties. The project is located in the 100-year floodplain. The **City of Grants** is interested in discussing alternatives to this project, securing public perceptions of possible adverse impacts that could result from the project, and discussing possible measures to minimize any adverse impacts. A virtual public hearing is scheduled on **September 3, 2020 at 5:30 PM** <https://www.facebook.com/cityofgrants/> to discuss the proposed project. Please extend or send written comments to: **Brandon Howe, Planner, Northwest New Mexico Council of Governments, 106 West Aztec Avenue, Gallup, NM 87301**. Comments will be received until **September 7, 2020** – (16 days from date of publication).

A more detailed description of the project and FEMA flood maps are available for citizen review at the **City Hall – 600 W. Santa Fe Avenue, Grants, NM 87020**.
